RE: December 18 Decision, DA 14-1859, FM Channel 225C3 from Clatskanie, Oregon to Napavine, Washington for Threshold Communications

Dear Sirs:

As directors of the Clatskanie Library District, we believe strongly in keeping radio frequency 92.9 dedicated to the local Clatskanie, Oregon area for public safety and public service reasons. It is our understanding that this frequency was originally assigned to the Clatskanie, Oregon area by the FCC due to our community's remote location. There are currently no other radio stations serving the Clatskanie area.

It is also our understanding that the Napavine, Washington area is already served by numerous radio stations and not in need of an additional station.

Thank you for your consideration.

Clatskanie Board of Directors
