RE: December 18 Decision, DA 14-1859, FM Channel 225C3 assigned from Clatskanie to Napavine for Threshold Communications

Dear Mr. Doyle:

The Quincy Water Association Board of Directors is writing to request keeping the above FM channel allocated to the Clatskanie area be left in place.

Quincy Water operates in the rural area of Quincy outside Clatskanie city limits. Radio reception in our area is not good. We would like to have the FM station remain allotted to Clatskanie for the possibility of serving our community in the future. It would be a beneficial tool to communicate water outages in our area and other situations for public safety.

Thank you for this consideration.

Sincerely,

Quincy Water Association
Board of Directors
