RE: December 18th Decision, DA 14-1859, FM Channel 225C3 assigned from
Clatskanie, OR to Napavine, WA for Threshold Communications.

To Whom It May Concern:

I'm writing this letter in support of retaining the above mentioned FM radio station in the Clatskanie area, rather than transferring it to Napavine, WA, on behalf of the Clatskanie Senior Citizen's, Inc., a 501 (c) (3) nonprofit corporation, as their president.

At our CSC Inc. Executive Board Meeting on March 2, 2015, we unanimously voted to send you this letter explaining how important it is to our senior population to retain the availability of the FM frequency, allotted by the Federal Communications Commission (FCC) more than a decade ago to Clatskanie, 92.9 MHz.

In this increasingly electronic age our seniors have become even more reliant on traditionally broadcast programming alerting them to area happenings such as events held by local organizations and community alerts that can only be addressed by a station that is required to serve the needs of their beloved Clatskanie.

Please step up to the plate and retain the location for the 92.9 FM station to be in Clatskanie, OR. 97016.

Respectfully submitted,

Ernest A. Carman
President/ Clatskanie Senior Citizen's, Inc.
