Gentlemen:

This refers to your attorney's letter dated April 2, 2015 requesting special temporary authority to remain silent. You indicate that KCEB is undergoing an antenna swap to relocate from its current channel 51, to channel 26. You mentioned that the process is taking additional time on the account of rain delays and to accommodate the one TV and two FM stations sharing the same tower.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until October 7, 2015 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is written over the typed name.
