Subject: WARZ-CD - STA'S - ENGINEERING STA NOW PENDING - DISMISS FILED IN
ERROR LEGAL STA
BLSTA- 20150331AQZ

Mr. Hashemzadeh (FCC)
cC; Jack Mullaney (MEI), Gerald Waters (applicant)

Hossein,

I understand that you are aware of the problems that the licensee has had and now seeks an STA to operate at its former licensed site due to failure of the transmission line at its licensed site.

Apparently Mr. Waters submitted the wrong STA request form last week (3/31), submitting a Legal STA, rather than the required Engineering STA.

Mr. Waters has contact us to correctly file the STA request on his behalf (Engineering STA); and the licensee requests that the legal STA (BLSTA- 20150331AQZ) filed in error be dismissed.

Further, it is our understand via Mr. Waters that the STA filing fee collected/paid for the during the filing of the Legal STA, can be applied to the now pending Engineering STA, as all parties are aware that the Legal STA was filed in error.

The pending engineering sta application file number is: 20150407ABM

Thank you,

Sincerely,
Tim Sawyer
