In re: Low Power Television Application of:
DTV America Corporation
Channel 16, Fayetteville, AR.
File no.: 0000001205
Facility Id No.: 184686

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal is predicted to cause interference to the following facilities:

1. K17LD-D – Fayetteville, AR. – BNPDTL-20100728ACL at 9.4%

The interference agreement with the licensee of K17LD-D is not valid since the licensee of K17LD-D is expecting a potential 7.5% interference from your proposed facility.

Shown below for your reference is the imported first paragraph from the interference agreement:

“Gameday Entertainment, LLC, the licensee of K17LD-D (Facility ID 187770) in Fayetteville, AR agrees to accept the potential 7.5% interference caused to the station by an application for modification filed by KAJL-LD”

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiency, we will dismiss your application.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
