

WLYG HAS HAD TRANSMITTER PROBLEMS FOR SOME TIME NOW. WE HAVE ORDERED A REPLACEMENT AND ANTICIPATE IT GOING ON THE AIR VERY SOON. NOTE: WE FILED A PREVIOUS STA ON 10/09/2014 THAT DOESN'T APPEAR IN THIS DATABASE FOR SOME UNKNOWN REASON. THE DATE THE STATION WENT SILENT ON THAT STA REQUEST IS THE SAME AS HERE, 10/05/2014. IT WAS FILED ON THIS SAME ACCOUNT I'M FILING THIS STA REQUEST, AND THE PREVIOUS STA SHOWS 'FILED' AS ITS STATUS. WE'VE JUST TODAY BEEN MADE AWARE OF THE PROBLEM WITH THE PREVIOUS STA FILING.
