Subject: Erratum to WJKF-CA resumption of service

Dear Mr. Habib,

On May 29 Abacus Television filed a Resumption of Operations Form regarding WJKF-CA, Facility ID. 4754. I was recently advised that the File No. of the authorization whose parameters were used to resume service was incorrect. Will you please correct my Exhibit 3 to delete the File No. BRTVA-20121001AID and insert in its place the correct File No: BLTVA - 20010709AAF.

Thank you for your assistance with this request.
