Dear Licensee:

This is in reference to the captioned requests filed June 11, 2015, on behalf of Capstar TX LLC ("Capstar"). Capstar explains that the shared antenna system for these three stations failed and that the stations are now operating with their respective auxiliary facilities. Capstar requests Special Temporary Authority (STA) for continued operations for an extended period using the auxiliary facilities, until repairs to the shared antenna system can be completed.

The requests for STA ARE HEREBY GRANTED. Capstar must notify the Commission when licensed main operations are restored. Capstar must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on September 16, 2015.

Sincerely,

Dale Bickel
Senior Engineer
Audio Division
Media Bureau
