In re: K218FJ, Halloran Springs, CA
BPFT-20150518ADF
Facility ID # 138864

Dear Applicant:

This refers to the above-captioned FM application for K218FJ, Halloran Springs, California.

An engineering study of the application reveals that it is in violation of 47 C.F.R. § 74.1231(b). Section 74.1231(b) of the Commission's Rules states that a noncommercial translator operating in the reserved band and co-owned by the primary station can receive the programming from the primary station by satellite. The application proposes channel 272 which is in the commercial band and not the reserved band. The application failed to discuss this violation.

In light of the above, the application BPFT-20150518ADF is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
