License Renewal Applications

Dear Mr. McCormick:

This letter refers to the pending license renewal applications ("Application") of Reier Broadcasting Company, Inc. ("Licensee") for Stations KOZB(FM) and K265AS, Livingston, Montana. Further noted for Stations KBOZ(AM), KOBB(AM), and KBOZ-FM, Bozeman, Montana. We cannot process the Applications and have been holding it since March 22, 2013, pursuant to the Commission's "red light" rules, which prohibit the staff from granting an application when an applicant is delinquent on

debts owed to the Commission.¹ We believe that it is not in the public interest to retain unprocessable applications for extended periods of time, particularly when the extended delay is the result of the inaction of an applicant to correct a debt delinquency.²

Accordingly, we are providing the Licensee a period of 30 days from the date of this letter to pay or arrange for payment of the delinquent debt with the Commission's Office of Managing Director.³ Failure to have the "red light" status removed within that time period will result in the dismissal of the referenced applications pursuant to Sections 1.1910(b)(3) and 73.3568(a)(1) of the Commission's Rules.⁴ Licensee should send electronic notification on the date said payment is made to Penelope Dade at Penelope.Dade@fcc.gov and Karen Workeman at Karen.Workeman@fcc.gov. Failure to do so will result in additional delay of processing the application.

Sincerely,

Peter H. Doyle
Chief, Audio Division
Media Bureau
