BL-20140930APN (License Application)

Dear Mr. Ramsey:

This is in reference to the above captioned license application as amended on May 11, 2015.

A preliminary review of the amended application indicates that the daytime coordinates (37° 18' 9" N, 80° 02' 24" W) differ more than 3 seconds from the coordinates (37° 18' 8" N, 80° 02' 32" W) in Construction Permit BMP-20140124ALD. Accordingly, a minor change application (FCC Form 301) to correct the geographic coordinates must be filed pursuant to Section 73.3538 of the Commission's rules.

Further action on the subject application will be withheld for a period of 30 days from the date of this letter to provide an opportunity to file an amendment. Failure to respond or file an amendment within this time period will result in the dismissal of the application pursuant to Section of 73.3568.

Sincerely

Son Nguyen,
