**Re: Suspension of Operations and Request for Cancellation  
FM Translator K261AB, Newhall, Etc., CA (FIN 70039)**

Dear Ms. Dortch:

Bonneville International Corporation, the licensee of FM translator K261AB, Newhall, Etc., California (FIN 70039), hereby advises the FCC that the FM translator suspended operations in order to satisfy a special operating condition in the construction permit for FM booster station KWSD-FM2, Santa Clarita, California (FIN 198254) (File No. BNPFTB-20141008AAR). Pursuant to this special operating condition, it is requested that the FCC cancel the license for FM translator station K261AB.

Should any questions arise concerning this matter, please contact this office directly.

Respectfully submitted,

WILKINSON BARKER KNAUER, LLP
