**Re: Notification of Reduced Power
KPGA(FM), Morton, TX (FIN: 84763)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KPGA, Morton, Texas and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KPGA has been operating at reduced power since June 21, 2015.

KPGA has been operating at approximately 7% of its authorized power since June 21, 2015 due to a transmitter component failure. In the event EMF is unable to return KPGA to full power operations within 30 days, EMF will request special temporary authority to allow KPGA to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
