In re: Special Temporary Authority
0000003749
WHDT
Stuart, FL
Fac. Id: 83929

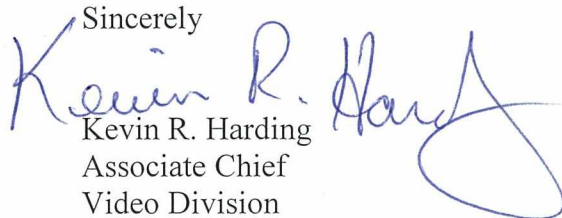

Dear Applicant:

This is in reference to the above-captioned request for special temporary authority (STA) for WHDT, channel 42, Stuart, Florida.

Specifically, WHDT requests to increase its effective radiated power (ERP) from 700 kW to 1000 kW. We have completed our technical review of your STA and conclude that it cannot be granted. This request is not compliant with §73.1635(a)(2) of the Commission's rules and it is not our policy to grant STAs of this nature without licensee first having an underlining minor modification application on file.

Thus, your special temporary authority request IS HEREBY DISMISSED pursuant to section §73.3566(a) of the Commission's Rules.

Sincerely
