Dear Mr. Doyle

I'm writing to you because I am a supporter of KZYX and Z.

Please do not revoke this stations licenses.

KZYX and Z bring so much to the Mendocino County community that it would make this letter very extensive to list them all.

I rely on their news, local, domestic and foreign for keeping in contact with what is happening in this world.

They are the only station in our area that brings to the minute disaster news to the listening public.

I have been a long time supporter of KZYX and Z, since 1995 when I moved to Mendocino County.

They do a wonderful job of bringing current events, music, and a myriad of different forums to its public.

I reiterate PLEASE let them keep their license.

Sincerely

Joel Goldberg
