RE: Request for Further Extension of Pre-Auction Licensing Deadline, Station WJAR(TV), Providence, RI (Facility ID 50780)

Dear Counsel:

This letter is with regards to the request made by WJAR Licensee, LLC (the "Licensee" or "WJAR") licensee of WJAR(TV), Providence, Rhode Island (the "Station"), for an additional 30 day extension of the Pre-Auction Licensing Deadline. For the reasons set forth below, we grant the Licensee an additional thirty (30) day extension of the Pre-Auction Licensing deadline—until **August 27, 2015**.

The Media Bureau designated May 29, 2015 as the Pre-Auction Licensing Deadline,¹ the date by which full power and Class A facilities must be licensed to be eligible for protection in the repacking process and relinquishment of spectrum usage rights in the reverse auction. On May 22, 2015, Section 73.622(i) of the Federal Communications Commission's ("Commission") rules² was amended to change the channel for the Station from channel 51 to channel 50 to eliminate potential interference to and from wireless operations in the Lower 700 MHz A Block.³ The Licensee was granted a construction permit for its substitute facility on May 28, 2015, one day prior to the Pre-Auction Licensing Deadline.⁴ On May 29, 2015, the Licensee filed a request for at least a sixty (60) day extension of the Pre-Auction Licensing Deadline to construct its new facility on channel 50 ("substitute facility").⁵ On June 25, 2015, we granted the Licensee a sixty (60) day extension—until July 28, 2015.⁶

On July 27, 2015, the Licensee filed a request for an additional thirty (30) day extension.⁷ The Licensee states that it has taken "all efforts within its control to expedite the Channel 50 construction...." WJAR goes on to state that the new antenna is scheduled to be delivered on August 14, 2015 and a tower crew is scheduled to install it the week of August 17, 2015.⁸ For the reasons stated in the Licensee's

extension request and in furtherance of the Commission's interest in facilitating broadcasters' moves off channel 51,⁹ we will provide an additional thirty (30) day extension of the Pre-Auction Licensing Deadline for WJAR to complete construction of its substitute facility.

Accordingly, we **GRANT** the Request for Further Extension of Pre-Auction Licensing Deadline Pre-Auction Licensing Deadline and provide WJAR with a thirty (30) day extension—until **August 27, 2015**. Furthermore, WJAR **SHALL AMEND** its Pre-Auction Technical Certification Form (FCC Form 2100, Schedule 381) **within three (3) days** following the completion of construction on the substitute facility. WJAR must certify to the accuracy of the information in its new license authorization (or application for license to cover), as well as all underlying Database Technical Information.¹⁰ It must also make any necessary correction to the equipment information provided regarding its eligible facility.¹¹

Sincerely,

Barbara A. Kreisman
Chief, Video Division
