Re: Notification of Resumption of Licensed Operation  
Georgia Public Telecommunications Commission  
NCE Station WSVH(FM), Savannah, GA (Facility ID 23926)

Dear Ms. Dortch:

On behalf of Georgia Public Telecommunications Commission, licensee of noncommercial educational radio Station WSVH(FM), Savannah, Georgia, we hereby inform the Commission that WSVH has resumed licensed operation following a period of reduced power operation under Special Temporary Authority ("STA").

The licensee previously obtained Special Temporary Authority to operate at an alternate site and with a reduced power to restore service to the public following damage to station's licensed facility, see FCC File Nos. BESTA-20150305AAH, BSTA-20141024ACB. The licensee now notifies the Commission that WSVH has resumed licensed operation.

The licensee is a noncommercial educational licensee and operates WSVH on a noncommercial educational basis. The licensee is therefore exempt from FCC filing fee and regulatory fee requirements for WSVH, pursuant to Sections 1.1116 and 1.1162 of the Commission's rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,

Barry S. Persh

Telecommunications Commission
