License Renewal Application

Dear Mr. Langford:

This letter refers to the pending license renewal applications (“Applications”) of Larry Langford, Jr. (“Licensee”) for Stations WGTO(AM) and W266BS, Cassopolis, Michigan. We cannot process the Applications and have been holding it since June 1, 2012, pursuant to the Commission’s “red light” rules, which prohibit the staff from granting an application when an applicant is delinquent on debts owed to the Commission.¹ We believe that it is not in the public interest to retain unprocessable applications for extended periods of time, particularly when the extended delay is the result of the inaction of an applicant to correct a debt delinquency.²

Accordingly, we are providing the Licensee a period of 30 days from the date of this letter to pay or arrange for payment of the delinquent debt with the Commission’s Office of Managing Director.³ Failure to have the “red light” status removed within that time period will result in the dismissal of the

See also 47 C.F.R. §§ 0.283, 1.1910(b)(3).

² See, e.g., 47 C.F.R. § 73.1910(b)(2) (entity found to be delinquent in debt owed “will be informed that action will be withheld on [its] application until full payment or arrangement to pay . . . is made and/or that the application may be dismissed”); see also *Reserved Band FM Translator Applications Dismissed*, Public Notice, 25 FCC Rcd 3276 (MB 2010) (non-cut-off reserved band FM Translator applications dismissed in light of filing freeze and likelihood of delay of several years before filing window for reserved-band FM translator stations will be opened).

³ Inquiries concerning the delinquency should be addressed to Associate Managing Director-Financial Operations, 445 12th Street, S.W., Room 1-A625, Washington, DC 20554, or by calling the Financial Operations Help Desk at (877) 480-3201.

referenced applications pursuant to Sections 1.1910(b)(3) and 73.3568(a)(1) of the Commission's Rules.⁴ Licensee should send electronic notification on the date said payment is made to Penelope Dade at Penelope.Dade@fcc.gov and Karen Workeman at Karen.Workeman@fcc.gov. Failure to do so will result in additional delay of processing the application.

Sincerely,

Peter H. Doyle
