Request for Extension of Special Temporary
Authority to Remain Silent

Dear Ms. Rogers:

This letter concerns the request you filed on July 29, 2015, on behalf of Rocket Radio Corporation ("RRC"), for extension of Special Temporary Authority to permit FM Translator Station K247CF to remain silent.

Commission records reflect that RRC stated that Station K247CF went silent on January 12, 2015, for technical reasons. The previous STA was granted on February 12, 2015, and expired on August 11, 2015. RRC requests extension of its STA for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RRC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station K247CF to remain silent until January 12, 2016. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W258CC will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., January 13, 2016.**¹

RRC is required to notify the Commission when broadcast operations resume. If RRC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed
