MDCL Waiver Request

Dear Ms. Gallagher:

Radio License Holding CBC, LLC ("RLH"), licensee of radio station KKOH(AM), Reno, Nevada (Facility ID 11236), hereby requests a waiver of Section 73.1560(a) of the Commission's rules to operate KKOH with carrier amplitude controlled according to modulation density pursuant to the Commission's *Public Notice*, "Media Bureau To Permit Use of Energy-Saving Transmitter Technology By AM Stations" (released September 13, 2011).

The KKOH transmitter is a Harris 3DX50 and will operate in "AMC+" mode with 3dB of carrier-reduction. RLH will otherwise operate KKOH at normal license parameters.

Neither RLH nor any party to this request is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Should any questions arise concerning this matter, please communicate directly with the undersigned.

Sincerely,
