RE:WMTY (AM) (ID 3992)---FARRAGUT, TN---LICENSE CANCELLATION

Good Morning:

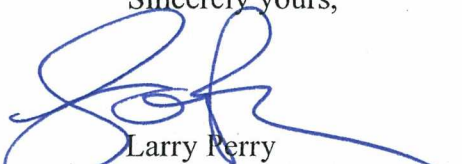

On January 5, 2015, this office filed an application for dark Authority in FILE # BLSTA-20150105AAR because the tower site was sold. The licensee, Horne Radio, LLC, has been unable to locate another site that would work. The station has been silent since December 20, 2014.

Therefore, all thing considered, the licensee, Horne Radio, LLC. hereby requests that the license for the station WMTY (ID #3992) be cancelled effective immediately

Should you have any questions concerning this matter, please don't hesitate to contact this office for clarification.

Thank you in advance.

Sincerely yours,

Larry Perry
