In re: W225CE, Orlando, FL
BMPFT-20150416AAR
Facility ID No. 156373

Dear Applicant:

This letter refers to the above-captioned application as amended, for W225CE, Orlando, Florida.

An engineering study reveals the application is a major change pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, the proposed 60 dB μ service area fails to provide service to some portion of its 60 dB μ authorized service area, (BNPFT-20130813ABK). Therefore, the proposal is a major change. Because major change applications are not being accepted for filing, the application will be dismissed.

In light of the above, the application BMPFT-20150416AAR filed by Juan Alberto Ayala is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
Audio Division
Media Bureau
