**RE: Request for Tolling of Construction Permit
KVNW, Facility ID #189494
Threshold Communications
Napavine, Washington
File No. BNPH-20110630AHJ**

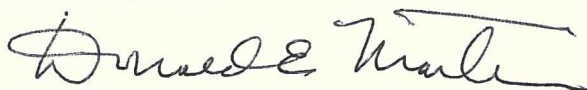

Dear Ms. Dortch:

On behalf of Threshold Communications, permittee of KVNW, the above-identified construction permit for a new FM station to serve Napavine, Washington, this is to request that the construction permit for KVNW be tolled pursuant to §73.3598(b)(2) of the Commission's rules,

The Commission issued this construction permit on March 11, 2013. On April 15, 2013, Premier Broadcasters, Inc. filed a Petition for Reconsideration of the grant of the construction permit application. This circumstance places the grant of the permit under administrative review and makes it eligible for tolling.

Please contact the undersigned should you have any questions concerning this matter.

Very truly yours,

Donald E. Martin
Counsel for Threshold Communications
