**Re: WRCR, Ramapo, NY (Facility ID 64556)
BESTA-20150513AAK
Request to Terminate STA**

Dear Ms. Dortch

On behalf of Alexander Broadcasting, Inc., licensee of expanded band AM station WRCR, it is requested that the above-referenced special temporary authority (STA) to operate with emergency non-directional antenna facilities at reduced power on 1300 kHz be terminated since, as of August 27, 2015, such STA has not been required. On August 27, 2015, WRCR began operation on 1700 kHz with facilities authorized in Construction Permit BMJP-20140721ADC and concurrently filed a covering license application BL-20150827ABE which license application was granted on November 6, 2015.

Very truly yours

Richard A. Helmick
