Re: Genesis Communications I, Inc. (GCI)
WHOO(AM), Kissimmee, FL
Facility Identification Number: 54573
Special Temporary Authority (STA)
BESTA-20151023AIJ

Dear Mr. Maduri:

This is in reference to the request filed on October 23, 2105. GCI requests an extension of the STA granted on March 26, 2015, to relocate station WHOO(AM) and operate with temporary facilities due to the sale of the licensed transmitter site on March 5, 2015.¹ In support of the request, Genesis stated that the application for a new permanent site (BP-20140721AAY) remains pending before the Commission.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA is hereby GRANTED, and WHOO(AM) may continue to operate with the following facilities:

Geographic coordinates	28° 28' 00" N, 81° 22' 29" W (NAD 1927)
Frequency	1080 KHz
Hours of operation	Unlimited
Operating power	1.5 kW (day), 0.011 kW (night)

¹ WHOO(AM) is licensed for DA operation on 1080 kHz with 19 kW day, 0.19 kW night, and 10 kW critical hours, and the BP-20140721AAY proposes three new directional antenna patterns at the WAMT site.

Antenna type
ASRN
Antenna efficiency

Existing WAMT tower
1257632
277.3 mV/m

It will be necessary to further reduce power or cease operation if complaints of interference are received. WHOO(AM) must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **June 1, 2016**.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Joseph Szczesny', is written over the typed name.

Joseph Szczesny, Engineer
