Re: KMAJ-FM, Topeka, Kansas
Facility Identification Number: 42012
Kansas City Trust, LLC
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed May 3, 2006, on behalf of former licensee Cumulus Licensing LLC (Cumulus), for further extension of the special temporary authority (STA) originally granted on January 31, 2001, to operate Station KMAJ-FM with emergency antenna facilities pursuant to Section 73.1680.¹ In support of the request, Cumulus states that, because of an FAA electromagnetic interference issue at its permit site, it has filed Application BMPH-20060404AGS, for modification of its construction permit to relocate the KMAJ-FM transmitter.

Our review indicates that Application BMPH-20060404AGS was granted on June 5, 2006; thus, extension of STA is warranted to allow time for construction of the newly authorized facilities.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KMAJ-FM may continue to operate with the following facilities:

Geographic coordinates:	38° 57' 15" NL, 95° 54' 43" WL (NAD 1927)
Channel	299 (107.7 MHz)
Effective radiated power:	15 kilowatts (H&V)
Antenna height:	
above ground:	183 meters
above mean sea level:	551 meters
above average terrain:	229 meters
ASRN ²	1033285

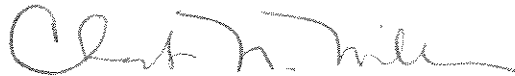

¹ Station KMAJ-FM is licensed to Topeka, Kansas, for operation on Channel 299C (107.7 MHz) with effective radiated power ("ERP") of 100 kilowatts (H&V), and antenna height above average terrain ("HAAT") of 370 meters. Construction Permit BMPH-20060404AGS authorizes a change in the community of license to Shawnee, relocation of the transmitter, a downgrade to Class C1 and operation with ERP of 92 kilowatts and HAAT of 311 meters.

² Antenna Structure Registration Number

The licensee must notify the Commission when licensed operation is restored. The licensee must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **September 19, 2007**.

Sincerely,

A handwritten signature in cursive script, appearing to read "Charles N. Miller".
