Re: WWDB (AM), Philadelphia, Pennsylvania
Facility Identification Number: 74085
WWDB License Limited Partnership
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed May 3, 2006, on behalf of WWDB License Limited Partnership ("WL"), for further extension of the special temporary authority ("STA") granted on October 3, 2005, to operate Station WWDB with parameters at variance and/or reduced power while maintaining monitor points within licensed limits.¹ In support of the request, WL states that it anticipates filing Form 302-AM shortly.

Our review indicates that Application BZ-20060804AGH was granted on February 21, 2007. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED. This action is taken pursuant to 47 CFR Section 0.283.

Sincerely,

Charles N. Miller, Engineer
Audio Division
Media Bureau

cc: WWDB License Limited Partnership

¹ WWDB is licensed for operation on 860 kHz with 10 kilowatts, daytime hours only, employing a directional antenna (DA-D-D).
