File No. BPL-20160119ACV

Dear Applicant:

This is in reference to the above application proposing a change of transmitter location.

The *Second Report & Order* in MM Docket 99-25 established the definition of a "minor change" as it applies to LPFM applications.¹ The Commission stated that minor change applications would be limited to those specifying changes in site location of 5.6 kilometers or less. Thus, the instant application specifying a 29 kilometer change in site location violates Section 73.870 of the Commission's Rules.²

Accordingly, light of the above, application BPL-20160119ACV is unacceptable for filing and IS HEREBY DISMISSED. These actions are taken pursuant to 47 C.F.R. § 0.283.³

Sincerely,

James D. Bradshaw
Deputy Chief
