In re: K287BS, Stockton, CA
BMPFT-20160119ACF
Facility ID No. 144158

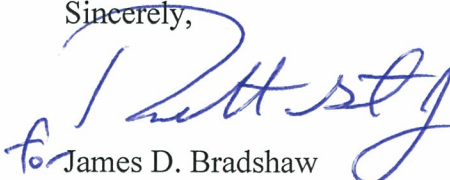

Dear Applicant:

This letter refers to the above-captioned application for K287BS, Stockton, California.

An engineering study reveals the application is a major change pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, our study shows the proposed 60 dB μ service area fails to provide service to some portion of its 60 dB μ authorized service area, (BLFT-20151125CSA). The applicant includes a plot of the proposed 60 dB μ service area overlapping the 60 dB μ authorized service area demonstrating that the proposal is a minor change. However, the plot fails to include any pertinent information allowing us to conclude that the proposal is indeed a minor change. Therefore, the application will be dismissed.

In light of the above, the application BMPFT-20160119ACF filed by Hispanic Family Christian Network, Inc., is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

to James D. Bradshaw

Deputy Chief
Audio Division
Media Bureau
