February, 13, 2016

Dear Sirs:

KTGY-LP will commence equipment testing on or about February 17 and will continue to on or before February 29, 2016.

Program Testing will commence on March 1, 2016 and within 10 days of completion of the Program Testing, Form 319 (Application For A Low Power FM Broadcast Station License), will be filed to cover our Construction Permit.

Sincerely,

Michael Stephens  
Consulting Engineer
