Re: WJIK (FM), Fulton, AL (FCC Facility ID No. 90846);  
Special Temporary Authority –BSTA-20151006AAB

Dear Madam Secretary:

On behalf of our client, Penfold Communications, Inc., the licensee of Radio Station WJIK (FM), Fulton, AL (FCC Facility ID No. 90846) (the "Station"), we hereby file this letter to notify the Commission of an inadvertent incorrect filing and subsequent grant of a Special Temporary Authority (BSTA-20151006AAB) (STA) for the Station. On October 8, 2015, the Commission granted a request made for the STA for the Station, a copy of which is attached. However, shortly after receiving the notification of the grant of the STA, Penfold informed us that the filing request was submitted under the wrong call sign. After discussion with the FCC Staff, it was determined that the simplest solution would be to re-file the STA request for the proper call sign, WKJA (FM), Brunswick, Ohio (FAC ID #122205). This was re-filed on October 30, 2016 (copy attached). However, our calendar system notified us this week that the STA for the Station was still listed as due to expire January 8, 2016. Therefore, out of an abundance of caution, we hereby notify you that the STA for the Station was not required and that the Station is operating normally. Please update your records accordingly.

If you have any questions, please do not hesitate to contact our office.

Very truly yours,

John C. Trent
