Re: Notification of Resumption of Operations
WEBC(AM), Duluth, Minnesota (Facility Id. 49689)

Dear Ms. Dortch:

On behalf of Townsquare Media Duluth License, LLC, the licensee of broadcast station WEBC(AM), Duluth, Minnesota, this is to notify the Commission that the station has resumed operations within licensed parameters.

On August 31, 2015, the licensee requested special temporary authority to continue operating the station with power and parameters at variance while the licensee replaced or repaired malfunctioning sample lines (BSTA-20150831ACI). On January 7, 2016, the necessary repairs were completed and the station returned to full operations.

Should there be any questions regarding this matter, please contact undersigned counsel.

Very truly yours,

Howard M. Liberman
