Re: WUEC(FM), Eau Claire, Wisconsin
Facility Identification Number: 4282
Board of Regents of the University of Wisconsin System
Special Temporary Authorization

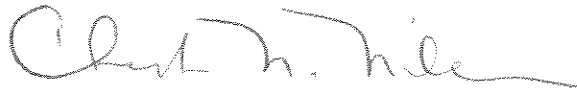

Dear Counsel:

This is in reference to the request filed February 23, 2007¹, on behalf of Board of Regents of the University of Wisconsin System ("UW"). UW requests special temporary authority ("STA") to operate Station WUEC with reduced power. In support of the request, UW states that the station's transmitter intermediate power amplifier has failed.

Our review indicates that, on March 21, 2007, UW filed a notification that Station WUEC has resumed full power, licensed operation. Thus, STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED. This action is taken pursuant to 47 CFR Section 0.283.

Sincerely,

Charles N. Miller, Engineer

¹ Processing of the request was delayed because it had been improperly filed as a request for "legal" STA, as opposed to an "engineering" STA.
