Re: WVWS (FM), Webster Springs, WV
West Virginia Educational Broadcasting Authority
Facility Identification Number: 176879
Special Temporary Authority
BESTA-20160314ADA

Dear Licensee:

This is in reference to the request filed March 14, 2016, on behalf of West Virginia Educational Broadcasting Authority (“WVEBA”). WVEBA requests an extension of the September 17, 2015 Special Temporary Authority for continued operation of a temporary facility from a different tower in order to maintain station operations.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for STA IS HEREBY GRANTED. Station WVWS may continue to operate with the following facilities:

Geographic coordinates: 38° 35' 46.4" N, 80° 23' 54.4" W (NAD 1927)
Channel: 207A (89.3 MHz)
Effective radiated power: 0.135 kilowatts (H&V)
Antenna height:
 above ground: 73 meters
 above mean sea level: 870 meters
 above average terrain: 248 meters
Antenna structure registration no.: 1274614

WVEBA must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **September 19, 2016**.

Sincerely,

A handwritten signature in black ink that reads "Dale Bickel". The signature is written in a cursive style with a large initial "D" and a long, sweeping underline.

Dale Bickel
