Re: Notice of Resumption
WWRN (FM), Rockport, MA (Facility Id. No. 176844)
Light of Life Ministries, Inc.

Dear Ms. Dortch:

On behalf of Light of Life Ministries, Inc. ("Light of Life"), licensee of Noncommercial Educational (NCE) Station WWRN(FM), Rockport, Massachusetts (the "Station"), this is to notify the Commission that the Station has resumed operations within the licensed parameters authorized in BLED-20160321AAL.

The Station was granted special temporary authority (BSTA-20151030AQA) to operate at reduced power due to technical problems (the "STA"). Subsequently, the Station was granted a construction permit to operate with different technical facilities, which were constructed as of March 20, 2016. Light of Life filed the License Application, and that application was granted on March 21, 2016. In light of the Station's resumption of operations with the newly-licensed parameters, the STA can be dismissed as moot.

Should there be any questions regarding this matter, please contact undersigned counsel.

Respectfully submitted,

Lee G. Petro

Counsel for Light of Life Ministries, Inc.
