Multicultural Radio Broadcasting Licensee, LLC
Station KAHZ(AM), Pomona, California
Facility Identifier Number 61814
File Number BSTA-20150317AAV and BESTA-20150918AAV

Dear Ms. Dortch:

This letter is filed on behalf of Multicultural Radio Broadcasting Licensee, LLC ("Multicultural"), the licensee of Station KAHZ(AM), to notify the Federal Communications Commission ("FCC") that this Station is operating according to its license during nighttime hours once again. Its local engineer installed a new transmission line that is only utilized by the nighttime antenna system and the nighttime licensed operating parameters were restored. As a result, Multicultural is pleased to report that Special Temporary Authority ("STA") is no longer required. Kindly cancel this STA, identified by the file numbers above, and reflect this change in the FCC's records.

Please note that there was not a problem with the daytime operation of this Station.

If there are any questions about this Request, please contact undersigned counsel for Multicultural Radio Broadcasting Licensee, LLC.

Sincerely,

Mark Lipp
