Request for Extension of Special Temporary  
Authority to Remain Silent

Dear Mr. Trent:

This letter concerns the request you filed on March 23, 2016, on behalf of Shenandoah Valley Group, Inc. ("SVG"), for extension of Special Temporary Authority ("STA") to permit AM Radio Station WAMM to remain silent.

Commission records reflect that SVG stated that Station WAMM(AM) went silent on September 2, 2015, for technical reasons. The previous STA was granted on September 29, 2015, and expired on March 27, 2016. SVG requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

SVG's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WAMM(AM) to remain silent until September 2, 2016. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WAMM(AM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., September 3, 2016.**<sup>1</sup>

SVG is required to notify the Commission when broadcast operations resume. If SVG does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>2</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>3</sup>

Sincerely,

Lisa Scanlan  
Assistant Chief, Audio Division  
Media Bureau
