Office of the Secretary

**RE: Resumption of Full Facility Operations
WSJC, Magee, Mississippi
Family Talk Radio
Facility ID #74003**

Attn: Son Nguyen
Audio Division, Media Bureau

Dear Ms. Dortch:

This is further to my letter of September 18, 2015 concerning the resumption of full facility operations by WSJC. In that letter I requested additional time until today in which to respond to the staff email request dated August 27, 2015.

Accompanying this letter is a copy of the most recent license for WSJC (BL-19870609AK) as requested in the August 27 email.

After further review of the station's facilities and operations, the licensee has concluded that the station is operating completely in compliance with the current license. Therefore a new Form 302-AM application does not appear to be necessary at this time.

Please contact the undersigned should you have any questions concerning this matter.

Very truly yours,

Donald E. Martin
Counsel for Family Talk Radio

UNITED STATES OF AMERICA
FEDERAL COMMUNICATIONS COMMISSION

The Commission reserves the right during said license period of terminating this license or making effective any change, or modification of this license which may be necessary to comply with any decision of the Commission rendered as a result of any hearing held under the rules of the Commission prior to the commencement of this license period or any decision rendered as a result of any such hearing which has been designated but not held, prior to the commencement of this license period.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934, as amended. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934, as amended.
