**RE: Resumption of Full Facility Operations  
WSJC, Magee, Mississippi  
Family Talk Radio  
Facility ID #74003**

Attn: Son Nguyen  
Audio Division, Media Bureau

Dear Ms. Dortch:

This is further to my letters of September 18 and October 2, 2015 concerning the resumption of full facility operations by WSJC.

Commission staff has requested a copy of the license for WSJC so that the Commission and the licensee can verify that the station has resumed operations that are consistent with its authorization. With a cover letter dated October 2, 2015, I submitted a copy of a one-page document identified as the license for WSJC. Commission staff has indicated that there may be additional pages in this document. The licensee has been unable to locate any additional pages in its records or in the FCC's records.

This is to request that the FCC electronically reissue the license for WSJC. Upon receipt of that reissued license, the licensee will be in a better position to confirm that its operations are consistent with the authorization..

Very truly yours,

Donald E. Martin
