Re: Request For Tolling of Construction Permit
K268CW, Brenham, Texas
Facility ID #144563

Dear Ms. Dortch;

On behalf of Houston Christian Broadcasters, Inc. ("HCBI"), the permittee of FM translator station K268CW, Brenham, Texas, this is to request the tolling of the expiration date for that facility for six (6) months from the current expiration date of May 2, 2016. HCBI recently filed for a modification in the permit (FCC File: BMPFT-20160129AAC) which was approved on February 10, 2016, in connection with the Commission's AM filing window for FM translator modifications (DA-1491). The additional time is needed to effectuate construction of the translator in connection with that modification.

Please contact the undersigned should you have any questions on this matter.

Very truly yours,

Houston Christian Broadcasters, Inc.
