Susan:

Here is my authorization:

I am Ted Tucker, Managing Member of Cochise Broadcasting LLC, which has a pending application (BPFT-20151021AEF) for FM Translator K250AN, Oracle, Arizona. In order to receive a grant of the pending application, I would accept the following condition:

"This application is being granted prior to the completion of the international notification process. Therefore, any construction of and operation with the facilities specified herein is at applicant's own risk and subject to modification, suspension or termination without right to hearing, if objected to by the Instituto Federal de Telecomunicaciones ("IFT") in Mexico or if found by the Commission or the IFT to be necessary in order to conform to the 1992 USA-Mexico FM Broadcasting Agreement. This condition will be removed if formal acceptance of the facilities granted herein is received from IFT".

Ted Tucker  
Managing Member  
Cochise Broadcasting LLC

Please thank Rob Gates, again, for his help and consideration.
