Special Temporary Authority
BESTA-20160518ACE

Dear Licensee:

This is in reference to the request filed May 18, 2016, on behalf of Valleydale Broadcasting, LLC ("Valleydale"). Valleydale requests an extension of the November 20, 2015 special temporary authority for operation with temporary facilities, explaining that new cable is presently being purchased and tower climbers are being retained to place the antenna back in its licensed position.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station W252BE may continue to operate with reduced power. Valleydale must notify the Commission when licensed operation is restored. Valleydale must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **November 19, 2016**.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dale Bickel", written in a cursive style.
