Dear Mr. Dubeil:

This letter refers to the above-captioned minor change application filed by DR to change the daytime phase of tower #2, increase power, and increase theoretical efficiency of station WCKG(AM).

A review of the application reveals that a February 24, 2016, Motion to Deny was filed by Metro North Communication, Inc. (MNC), licensee of station WLAK(AM), Holstein, Wisconsin, followed by DR's Opposition on March 9, 2016, and the May 2, 2016, MNC request to grant the WCKG(AM) application.

Accordingly, pursuant to Section 0.283 of the Commission's rules, MNC's February 24, 2016, Motion to Deny is hereby DISMISSED as moot, and the application (File No. BP-20151110AMR) is hereby GRANTED.
