Re: Notification of Reduced Power
KSFS, Sioux Falls, SD (FIN: 87828)

Dear Ms. Dortch:

On behalf of Educational Media Foundation (“EMF”), the licensee of FM translator KSFS, Sioux Falls, South Dakota and pursuant to Section 73.1560(d) of the Commission’s rules, this letter is to notify the Commission that KSFS has been operating at reduced power since October 28, 2015.

KSFS has been operating at reduced power since October 28, 2015 due to a transmitter problem. EMF is working to remedy the issue and hope to have the station operating at full power within the next week. In the event EMF is unable to return KSFS to full power operations within 30 days, EMF will request special temporary authority to allow KSFS to continue operating at reduced power, as required by the Commission’s rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary O'Connor
