**Re: Notification of Reduced Power
WKVU, Utica, NY (FIN: 54549)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM station WKVU, Utica, New York and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that WKVU has been operating at reduced power since October 17, 2015.

WKVU went to low power on October 17th due to a transmitter problem that prevents it from operating at full power.. EMF is working to resolve the problem and hopes to have work completed shortly. In the event EMF is unable to return WKVU to full power operations within 30 days, EMF will request special temporary authority to allow WKVU to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
