**Re: Notification of Reduced Power
KGCL, Jordan Valley, ID (FIN:85777)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM station KGCL, Jordan Valley, Idaho and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KGCL has been operating at reduced power since March 31, 2016.

KGCL has been operating at reduced power since March 31, 2016 as a fuel conservation measure on this generator-only site. It is anticipated as the end of winter approaches the site should become accessible and the generator can be refueled. If the snow melt takes longer than 30 days, EMF will request special temporary authority to allow KGCL to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
