Request for Extension of Special Temporary  
Authority to Remain Silent

Dear Mr. McCormick:

This letter concerns the request you filed on June 30, 2016, on behalf of Calvary Radio Network, Inc. ("CRN"), for extension of Special Temporary Authority (STA) to permit FM Radio Station WCNM to remain silent.

Commission records reflect that CRN stated that Station WCNM(FM) went silent on December 1, 2015, pending the proposed modification of its facilities. The previous STA was granted on January 6, 2016, and expired on July 4, 2016. CRN requests extension of its STA because modification of its facilities remains pending. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

CRN's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WCNM(FM) to remain silent until December 1, 2016. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WCNM(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., December 2, 2016.**<sup>1</sup>

CRN is required to notify the Commission when broadcast operations resume.<sup>2</sup> If CRN does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>3</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>4</sup>

Sincerely,

Lisa Scanlan  
Assistant Chief, Audio Division  
Media Bureau
