Dear Mr. Bickel,

I am pleased to report that you may close the STA for our station. WUMM was able to apply for and construct in new facility.

A form 302, License to Cover Construction Permit (BPED – 20160229ABR), for our new facility, was submitted under file number BLED – 20160708AAB, for which we are now operating at full power.

If you have any further questions, please feel free to contact me.

Thank you for your help.

Sincerely,

Rob
