Re: Radio Vision Cristiana Management (FRN 0005-0749-68)
Station WVZN(AM), Columbia PA (Fac. ID #25819)
File No. BP-20140425AAA
Request for 30-Day Extension of Time to Amend

Dear Ms. Dortch:

I am writing to you on behalf of my client, Radio Vision Cristiana Management ("Radio Vision"), licensee of the above-referenced AM station, concerning the need for a NEPA amendment to our above-referenced pending application. By letter dated January 22, 2016, Mr. Son Nguyen, Supervisory Engineer of the Media Bureau's Audio Division, granted an extension of time until July 22, 2016 to file the required amendment. For the reasons that follow, Radio Vision respectfully requests a 30-day extension of time to amend the application until August 22, 2016. An original and two (2) copies of this request are being filed.

WVZN has been working hard with an environmental consultant to get the NEPA study done, and that has finally happened. We expect to be able to file the Form 301-AM amendment by August 15, 2016, but we are requesting an August 22 deadline out of abundance of caution.

We greatly appreciate your understanding and assistance in helping us resolve this complicated engineering issue. Under these circumstances, and with a favorable conclusion in clear sight, we respectfully request a 30-day extension of time to amend the application.

Very truly yours,

Jerold L. Jacobs
